This represents the data kept in the membership roster. Any information you may wish to withhold will simply not appear in the member database. Please see the ICARC website for the current member roster at http://www.icarc.org/icarc_roster.htm. The on-line roster shows your current status (i.e. if dues have been recorded).

Please see the ICARC website for current dues schedule at http://www.icarc.org/about_icarc.htm

Membership Renewals:

All that is needed is your CALLSIGN! Please include any information that needs to be updated. If you happen to send two renewals, the roster will show an additional year (i.e. the year you are current through).
